

GIS Work Order Request - Planning

City of San Antonio Planning Department

(210) 207-7873

All regular work orders will be processed within 5 – 7 working days. Only approved work orders will be processed. Oral requests will not be honored. Rapid work order requests will be processed within two working days with GIS Manager's approval. Special requests (i.e. detailed maps, analysis of several data layers, etc) shall include all necessary files and information to complete the work order. Special request orders require a lead-time of ten working days before processing begins.
